Big Sandy
Community & Technical College
HIGHER EDUCATION BEGINS HERE

East Kentucky Science Center
& Planetarium

Teachers and Principals,

The East Kentucky Science Center will be hosting the **Regional Science Fair** on **Saturday, November 3, 2012.** We are getting the material to you now in the hope that your school can have a Science Fair this fall and send students to our Regional event. We again will be awarding monetary prizes to students with winning projects. In addition, we will have monetary awards for the schools with first place winners for teacher supplies. We are very fortunate to have the support of Citizens National Bank and the East Kentucky GEAR UP program to make these awards possible.

One student from each grade 4-12 from each school can be entered. I am including a copy of the prizes awarded for each grade and the forms you will need to sign up. Please note the deadlines for school registration (October 12, 2012) and student registration (October 26, 2012). More details are on our website www.bigsandy.kctcs.edu/eksc.

We hope to see students from your school! Please call Terri King at 606-889-4766 or email tking0113@kctcs.edu for more information.

*Students will need to register & set up their projects on Friday evening, November 2 from 4:00-6:30 p.m. or on Saturday November 3 from 8:00-9:00 a.m. Registration will take place in the Postsecondary Education building on the campus of the Big Sandy Community & Technical College. Judging of the projects will begin promptly at 9:00 a.m.

Sincerely,

Terri L. King
