

As indicated on your Student Aid Report, your FAFSA was selected for review in a process called Verification. In this process, your school will be comparing information from your FAFSA with signed copies of your (and your spouse's if you are married, or your parent's if you are dependent) 2009 Federal tax forms, or other financial documents. The law says we have the right to ask you for this information before awarding federal aid. Your school is required to make corrections if there are differences between your FAFSA information and your financial documents.

Complete this verification worksheet and submit it, along with other required documents, to the financial aid office as soon as possible to avoid a delay in processing your financial aid. If you need help, contact the financial aid office at your school.

What you should do:

1. Collect your (and your spouse's or parent's if necessary) **2009 SIGNED Federal 1040, 1040A or 1040EZ** tax return.
2. **Complete** and **sign** this worksheet. **Do not leave spaces blank.**
3. Submit this completed **signed** worksheet, **signed** copies of tax forms and any other requested documents to the financial aid office.
4. Your financial aid office will compare information on this worksheet and any supporting documents with the information you submitted on your FAFSA and submit changes if necessary. **You should NOT submit FAFSA changes yourself after Verification is complete.**

Your school must review the requested information under the financial aid program rules (34 CFR, Part 668) and submit corrections if necessary.
